CONSENT AGREEMENT AND FINAL ORDER

This proceeding for the assessment of a civil penalty was initiated on or about February 20, 2002, pursuant to Section 311(b)(6) of the Federal Water Pollution Control Act, commonly referred to as the Clean Water Act (hereinafter CWA), 33 U.S.C. § 1321(b)(6), as amended by the Oil Pollution Act of 1990, when the United States Environmental Protection Agency, Region VII (hereinafter Complainant or EPA) issued to DJ Extruding, L.C. (hereinafter Respondent) a Complaint and Notice of Opportunity for Hearing.

The Complaint charged Respondent with violations of CWA Section 311(b)(6), 33 U.S.C. § 1321, and the regulations promulgated pursuant to Section 311(b)(3) and (j) of the CWA and codified at 40 C.F.R. Part 110 and 112. The Complaint proposed a civil penalty of Twenty Two Thousand Dollars (\$22,000) for these violations.

Complainant and Respondent entered into negotiations in an attempt to settle the allegations contained in the Complaint; this Consent Agreement and Final Order are the result of such negotiations.

CONSENT AGREEMENT

1. Respondent admits the jurisdictional allegations of the Complaint, and neither admits nor denies the factual allegations of the Complaint.

2. Respondent waives its right to a judicial or administrative hearing on any issue of fact or law set forth in the Complaint.

3. Respondent and Complainant agree to conciliate this matter without the necessity of a formal hearing, and to bear their respective costs and attorneys' fees.

4. Respondent certifies by the signing of this Consent Agreement and Final Order that to the best of Respondent's knowledge, Respondent is presently in compliance with all requirements of Section 311 of the CWA, 33 U.S.C. § 1321, and all regulations promulgated thereunder.

5. Nothing contained in the Final Order shall alter or otherwise affect Respondent's obligation to comply with all applicable federal, state and local environmental statutes and regulations and applicable permits.

6. The settlement pursuant to this Consent Agreement shall only resolve Respondent's liability for Federal civil penalties for the violations and facts alleged in the Complaint.

7. Respondent consents to the issuance of the Final Order hereinafter recited and consents to the payment of a mitigated civil penalty as set forth below in the Final Order.

8. Respondent understands that its failure to timely pay any portion of the mitigated civil penalty stated in Paragraph 1 below, may result in the commencement of a civil action in Federal District Court to recover the full remaining balance, along with penalties and accumulated interest. In such case, interest shall accrue thereon at the rate determined by the Secretary of the

Treasury on the unpaid balance until such civil penalty and any accrued interest are paid in full. Additionally, as provided by 31 U.S.C. § 3717(e)(2), a six percent (6%) per annum penalty (late charge) may be assessed on any amount not paid within ninety (90) days of the due date.

8. The undersigned representative of Respondent certifies he or she is fully authorized to enter the terms and conditions of this Consent Agreement and Final Order and to execute and legally bind Respondent to it.
